PERFECT FIT

FROM FARNBOROUGH BLINDS

For the ultimate in style, the award winning Perfect Fit blind is the only choice to make.

One of the unique features of the Perfect Fit frame is its outstanding thermal efficiency. The frame fits flush against your window to help reduce heat build up in the summer and retain heat in the winter, in turn keeping your cooling and heating bills to a minimum!

To further maximise the superb insulating qualities of the Perfect Fit system, you can choose to have one of our energy efficient fabrics and save yourself up to 15% on your fuel bills by reducing the heat loss through winter.

Potential home energy savings
in a 3 bed detached house

The window on the left has energy saving window blinds installed, providing insulation and reducing energy wastage.

Revolutionary Design

Perfect Fit is a revolutionary system that enables window blinds to be fitted perfectly onto most double glazed windows and doors, with no holes drilled into your upvc frame! The unique Perfect Fit blind fits neatly onto the window and enhances your privacy because there are no gaps down the side of the blind. Whether you select a contemporary design for the living room, a blackout fabric for the bedroom or a moisture resistant print for the bathroom, our blind collection in combination with the Perfect Fit system is the ultimate in style.

PERFECT FIT

FROM FARNBOROUGH BLINDS

Roller, pleated and Venetian blinds for double glazed windows, doors and conservatories

Perfect Fit is the most attractive and innovative window blind available on the market today. The system is unique because the window blind fits neatly into a stylish frame, which moves together with the windows and doors when they are opened and closed giving you the perfect combination of shade and ventilation.

- A huge range of fabric colours and textures to match your interior design scheme
- No drilling or screwing into window frames for a quick and clean installation
- Reduced gaps at the edge of the blinds increases your privacy
- Child safe because there are no loose cords or loops
- Leaves window sills clutter free
- Easily removable for cleaning
